

## ULTRATRAIL OLIVE CTX MID S3 ESD WR HRO SRC

Art. No. 63.622.0

- Protection:** fiberglass toe cap and flexible FAP<sup>®</sup> midsole
- Plus:** water resistant and breathable COA.TEX<sup>®</sup> membrane, bumper of rubber in the toe area
- Upper:** leather with abrasion-resistant textile inserts
- Lining:** breathable functional lining
- Footbed:** anatomically formed comfit<sup>®</sup> AIR footbed
- Sole:** XTS TRAIL - high quality, 300°C heat and slip resistant, rubber outsole with IMPULSE.FOAM<sup>®</sup> midsole or optimal cushioning, stability and comfort
- Colour:** black-olive
- Sizes:** 39 - 47

COMPOSITE SLIP RESISTANT HRO SOLE WATERPROOF METAL FREE ESD DGVU 112-181

### SLIP RESISTANT XTS TRAIL OUTSOLE

The easy-to-clean rubber outsole ensures perfect contact with the ground. It is non-slip and abrasion-proof and heat-resistant up to 300°C (HRO). The specially designed cleat profile and the wide flex grooves guarantee optimal flexion, optimize the water-displacing properties (windshield wiper effect) and provide a secure hold on a wide variety of surfaces.

### COA.TEX<sup>®</sup> MEMBRANE

The durable, water resistant and windproof high-tech membrane is particularly breathable and protects the foot from waterlogging through a microporous fabric structure. The membrane transports sweat and moisture to the outside. What remains is a pleasantly dry and comfortable foot feeling.

### IMPULSE.FOAM<sup>®</sup> midsole

Ultimate comfort during long working days. The innovative IMPULSE.FOAM<sup>®</sup> midsole in two different densities reacts to each of your steps with an energy impulse. Thereby the IMPULSE.FOAM<sup>®</sup> does not only return the energy, but also provides maximum cushioning and excellent stability.

### comfit<sup>®</sup> AIR FOOTBED

The newly developed, breathable ALBATROS<sup>®</sup> comfit<sup>®</sup> AIR footbed has elevations in the heel and ball area of the foot as well as a support of the longitudinal arch. This helps the foot keeping its natural position in the shoe and stimulates the musculature while walking. The slip-resistant textile cover is odour-resistant, moisture absorbing and washable at 30°C.
