#### STORAGE:

Do not store in places subject to direct or strong sunlight. Store in clean, dry conditions and preferably in original packaging.

#### WASH CARE:

#### CERTIFICATION LEGENDS:

#### MAINTENANCE:

The garment should be worn fastened at all times to provide the correct level of protection stated. Keep clean: should the high visibility properties of this garment become irrecoverably soiled or contaminated, replace immediately. The garment is suitable for wear during an entire working day and contains no toxic substances that are known to adversely affect user health. Do not attempt to repair damaged garments. Regular comparison against a new garment is recommended. Retro-reflective tape should not be ironed. Garment lifetime depends on: usage, care storage, number of washes etc. Garments should be discarded when the protective qualities no longer apply. See enclosed user instruction sheet for more information.

If appropriate to the product, EC Declaration of Conformities, relevant certification and supporting documentation are available to access through your distributor, at the below web address(s) or by contacting Traega / UCI customer services.

This document and any other statement provided herein by or on behalf of Traega / UCI are given for informational purposes and do not constitute a contractual agreement nor warranty of merchantability. Traega / UCI assumes no responsibility for the suitability or adequacy of an end user's selection of product for a specific purpose.
