UCFX3-P2V

FFP2 NR Fold Flat Mask With Valve.

The X3 Series™ disposable respirators incorporate a space saving, tri-fold design that extends well over the mouth and nose to fully protect the user whilst maintaining the ability for full facial movement during speech.

Integrated exhalation valve and a greater surface area reduces heat build up and breathing resistance for superior user comfort.

Light and comfortable with a soft foam nose seal and adjustable nose clip that moulds to the users face to enhance compatability with eyewear and reduced fogging.

Colour coded for easy identification. Dolomite tested and Maitenance free.
